FOREWORD

As further assistance to lineage workers in all DAR Chapters, an applicant for DAR membership, genealogists and historians, the National Society, Daughters of the American Revolution is proud to publish the First Supplement to the Patriot Index, which is the result of two years work by members and headquarters staff.

The enthusiasm and interest of Chapter members permits this supplement to list over 1200 ancestors more than appear in the index. Each patriot has been identified and their descendants have joined DAR on the stated lineage.

This first supplement will be of utmost assistance to all Chapters and prospective members. It is hoped the continuation of work will result in additional supplements at regular intervals.

High praise for this excellent and exacting work is accorded Miss Eunice Haden, National Chairman, DAR Patriot Index and her fine Committee.

PREFACE

This FIRST SUPPLEMENT to the DAR PATRIOT INDEX has three sections. The first section contains the vital data on over 1200 patriot ancestors newly identified and proved in the two years from June 1966 (the cut-off date for the data in the DAR Patriot Index) through the June 1968 meeting of the National Board of Management, NSDAR. This remarkable accomplishment by DAR members and Headquarters Staff was the inspiration for the compilation of this book.

The second section is titled, "Additions and Corrections to the DAR Patriot Index." Based on careful research, the information included completes or corrects the vital statistics of some of the patriots and sometimes establishes the maiden name of a wife whose identity had been unknown to us. This section will enhance the value of the book for genealogists.

The third section contains a complete cross-index to the various spellings of the surnames included in the DAR Patriot Index, 1966 edition.

Once again, members of this committee have accomplished all of the work necessary to complete and proofread the manuscript. They were pleased to do so in order to make this data available to the DAR Chapters and thus assist the work of the Membership Commission.
